Where Science and Summer Fun Meet!

Now Serving the Sugarland/Richmond/Rosenberg/Fort Bend

Introduction

It's that time of year again and we've been working hard to prepare a science camp experience that will make your child excited about science. We will explore some new destinations as well as some old favorites. Your student has seen the pictures in the science textbooks, now they can experience the science *in action, first hand*. Whether it's experiencing **flying high at I-Fly** or **exploring the Hill Country by Zip-Line**, your child is sure to learn and see many fascinating things—not to mention having a great time. ***Who knows, we might blow up something!***

We believe ***the middle school/junior high years*** are a time for exploring and investigation...and having a lot of fun learning along the way. Young people are developing their dreams for the future at this age. At ***Summer Science Safari***, we help students envision their futures and what it will take to achieve their goals. We pack as much science and learning into five days as we can, then top it off with lots of fun.

Kenneth Fletcher will again be leading this year's camp. Ken has been a teacher in public education for the past 17 years. He holds a Master of Science Degree from the University of Houston-Victoria. He spent the first ten years of his career at Briscoe Jr High School in North Fort Bend County, and since moved out to Rosenberg to start and raise his family. He has been teaching in the Lamar Consolidated ISD for the past 17 years. He currently teaches 7th and 8th grade science at ***Antionette Reading Junior High School and Coaches the very well-respected Reading JHS Science Olympiad Team***. This will be his second summer of facilitating the ***Summer Science Safari in the Fort Bend Area***.

Even though the Camp operates from *Reading Junior High School in Richmond and Dulles Middle School in Sugarland/Stafford*, all current 5th through 8th grade students in the Sugarland/Stafford/Richmond/Rosenberg/Fort Bend County Areas are welcome in ANY SESSION and arrangements can be made to pick up students at either location.

Itinerary

Due to the "Field Trip" nature of our camp, minor schedule and activity changes are likely. Check website occasionally for details.

Day 1:

Rock Climbing, Mystery, and Scuba.... We will start the day with a new feature—a **Rock Climbing Lesson at Momentum Rock Climbing in Katy**. We're really excited to offer a great way for the kids to "hang" with their friends. Next, we'll be heading over to the **Escape Room** to check out the students' abilities to "escape." Lastly, it is back to the area for a beginners **Scuba Diving lesson**. No prior experience needed for this day's dive. **Certified diving instructors** will introduce the kids to the world of scuba diving. Instructors will work with the kids and teach them all the do's and don'ts of scuba diving. Each child will be equipped with the **latest dive gear and instruction**, then they will spend time diving with a scuba tank in the dive school pool.

Day 2

This day we will head to Texas A&M University for a day of real science. We will begin our day with a tour of the **Texas A&M University Medical School**—one of the newest and most modern in the country. Then we are off to learn about **Nuclear Power** and get an up-close look at a **working nuclear reactor**. From there we will stop at **TEEX Fire Fighting School and Disaster City**; Disaster city is a mockup of a destroyed town. Crushed buildings, massive car pile ups, train wrecks and crashed airplanes are all used here to teach lifesaving skills. Then, it is on to a **Cold-Physics Presentation** by professors in the **Physics Department in the Stephen Hawking Auditorium**. *Have you ever stuck your hand in Liquid Nitrogen?* It will give you chills! Our last stop is the **Chemistry Department** where the students will be given a great **Chemistry Show....** Sparks will fly! Look out for More adventures to be added.

Day 3

Wednesday, we're off to **Fiesta Texas** in San Antonio for an afternoon of **breathtaking rides, cool streams, and entertainment**. Later, we will be staying at the **Comfort Suites in New Braunfels** where there will be separate girls' and boys' rooms. .

Day 4

On this day we start the day at **Wonder World Cave** where the students will be exploring one of the finest show caverns in Texas. Next, we'll visit underwater meadows of **San Marcus Springs** and tour in **Glass Bottom Boats** where the students will see how the **Edwards Aquifer** feeds the area. Next, it's on to the **Wimberley Zip-Line**. Here trained professionals will take us on a **Zip-line tour over the Texas Hill Country**. Emphasis will be placed on **ecology, safety, and fun**

Day 5

On our last day we'll be floating and flying...First, we start our final day with a tour of the **Galveston Bay aboard the Texas A&M University Research Vessel, the Trident, where, in addition to great views, the students will get to study the ecology of the Bay**. Do you know what a Secci Dish is used for? You will after this visit. Next, we finish our week with a sky diving adventure at **I-Fly** where the students will discover the thrill or this fun sport. **What a week?**

**Now Through May 15, Get \$100 Off Price for Sessions 1 and 2 ONLY
For a Cost of \$499.00!**

Not to be used with any other offers and WILL NOT be Extended.

All of this for only \$599.00 including all travel, tickets and entry fees.

Meals, gifts, and souvenirs are all the responsibility of the parents and students.

All participants must be **currently** in Grades 5-8. There is a minimum of 10 and a maximum of 13 participants to fill each session. Additional applicants will be placed on a waiting list.

For additional information, please contact Kenneth Fletcher in the Richmond/Fort Bend County Area at:

kmfjr@hotmail.com

or Call at 713-213-3151

The **Summer Science Safari** is a privately-owned company and is not affiliated with any Public or Private School in any manner.

Pick Up and Return will be at Dulles Middle School in Sugarland or Reading Junior High School in Richmond depending upon the Registration.

Camp Registration Instructions and Form

Step 1—Fill out the following Registration and Release Forms **COMPLETELY!**

SUMMER SCIENCE SAFARI 2019 Registration Form

Session 1
Session 2
Session 3
Session 4

Week of June 17, 2019 at Reading JHS
June 24, 2019 at Dulles MS
July 8, 2019 at Reading JHS
July 29, 2019 at Dulles MS

1st Choice _____
2nd Choice _____

Please Print

Name of Student: _____ Sex: M / F (Circle One)
First Middle Last

Current Science Teacher: _____ Current School: _____ Current Grade: _____ Date of Birth: _____

Parent or Guardian: _____ Can we place you on a Session Roster? Yes/No

Address: _____
Street APT City, State, Zip

RECOGNITION AND ASSUMPTION OF RISK AGREEMENT/PHYSICIAN RELEASE/PHOTO RELEASE FORM

I, the undersigned parent/legal guardian of _____, authorize said child's full participation in **Summer Science Safari Summer Camp**, including related program activities. It is my understanding that participation in the activities that make up **Summer Science Safari Summer Camp** is not without some inherent risk of injury. As such, in consideration of my child's participation in **Summer Science Safari Summer Camp**, I hereby release, waive, discharge, and covenant not to sue the program, the **Summer Science Safari**, their officers, servants, agents, or employees from any and all liability, claims, demands, action, and causes of action whatsoever arising out of or related to any loss, damage, or injury, including death, that may be sustained by my child, whether caused by the negligence of the releasees, or otherwise while participating in such activity, or while in, or upon the premises where the activity is being conducted. I also give my permission for any emergency medical care or treatment by a physician, surgeon, hospital, or medical care facility that may be required, including transportation, and accept responsibility for the cost. I also understand that any insurance policy carried by the Summer Science Safari, if any, will provide only minimum coverage and that I should make sure my child is covered with family insurance in the event of a serious accident.

Print Student's Name: _____ Personal Insurance Company & Policy Number: _____

I also understand that by submitting this form my child's picture and name of school may be published on the Internet, advertising, or news articles under the **Summer Science Safari Summer Camp**. No names or addresses will be associated with photos.

Parent/Guardian signature: x _____

I also agree to follow all instructions and procedures in order to provide the best environment for learning and to maintain maximum level of safety. I also understand that I may be dismissed from the **Summer Science Safari without refund to my parents due to continued or severe misbehavior**.

Student's signature: x _____

THIS FORM MUST BE COMPLETED AND SIGNED FOR EVERY STUDENT PARTICIPATING IN THE SUMMER SCIENCE SAFARI SUMMER CAMP.

Step 2: Include Payment

Payment by Check: Complete the Registration and include a check for \$599.00 made out to **Summer Science Safari**. *There is NO Convenience Charge for paying by check.*

Payment by Credit Card or PayPal: If you choose you can elect to be invoiced via email from our credit card processor where you may **SECURELY PAY** by *Visa, MasterCard, American Express, Discover, or PayPal* via the link in the email. A \$20.00 Convenience Charge will be added if you elect this method of payment.

Please sign here if you would like to pay via this method: X _____

Step 3: Place Registration Forms and check in sealed envelope and deliver to Kenneth Fletcher via the front office at Reading Junior High School in Richmond. Again, there is no Convenience Charge if you pay by check.

You may also register by faxing the registration and credit/debit information to 832-305-8874 using the credit card form, below. There will be a \$20.00 Convenience Charge if you use this any Credit/Debit Card/PayPal method.

***Faxed* Credit Card Information Form**

For Security Purposes, Please Do Not Use This Form for Email!

Fax this along with the Registration Forms to 832-305-8874
