Where Science and Summer Fun Meet!

Introduction

It's that time of year again and we've been working hard to prepare a science camp experience that will make your child excited about science. We will explore some new destinations as well as some old favorites. Your student has seen the pictures in the science textbooks, now they can experience the science first hand. Whether it's exploring the ecology of **experiencing the thrill of Sky Diving at I-Fly** or **exploring the Hill Country by Zip-Line**, your child is sure to learn and see many fascinating things—not to mention having a great time.

We believe the middle school/junior high years are a time for exploring and investigation...and having a little fun learning along the way. Young people are developing their dreams for the future at this age. At **Summer Science Safari** we help students envision their futures. We pack as much science and learning into five days as we can, then top it off with lots of fun.

We are excited to welcome back for their second year *Nikki Kram from Tays Junior High School* to our camp. Nikki has been a teacher in public education for 9 years. She began her career in Cy-Fair ISD teaching 6th and 8th grade science. She has been in Katy ISD for three years, teaching at Mayde Creek JHS and Tays JHS. She currently teaches 6th grade science and Sponsors the Student Council and is loving every minute of it.

Even though the Camp operates from *Tays Junior High School*, all *current 5th through 8th grade students in the Greater Katy area* are welcome.

Itinerary

Due to the nature of our "field-driven" camp, minor schedule and activity changes are possible.

Day 1

Rock Climbing, Dinosaurs, and Scuba.... We will start the day with one of our favorites—a **Rock Climbing Lesson**. We're really excited to offer a great way for the kids to "hang" with their friends. Next, we'll be heading over to the **Houston Museum of Natural Science** to check out some attractions and special events. Lastly, it is back to the area for a beginners **Scuba Diving lesson**. No prior experience needed for this day's dive. **Certified diving instructors** will introduce the kids to the world of scuba diving. Instructors will work with the kids and teach them all the do's and don'ts of scuba diving. Each child will be equipped with the **latest dive gear and instruction**, then they will spend time diving with a scuba tank in the dive school pool.

Day 2

This day we will head to Texas A&M University for a day of real science. We will begin our day with a tour of the **Texas A&M University Medical School**—one of the newest and most modern in the country. Then we are off to learn about **Nuclear Power** and get an up-close look at a **working nuclear reactor**. Then, it is on to a **Cold-Physics Presentation** by professors in the **Physics Department in the Stephen Hawking Auditorium**. *Have you ever stuck your hand in Liquid Nitrogen?* It will give you chills! Our last stop is the **Chemistry Department** where the students will be given a great **Chemistry Show**.... Sparks will fly! Look out for More adventures to be added.

Day 3

Today, we're off to **Fiesta Texas** in San Antonio for a day of **breathtaking rides, cool streams, and entertainment**. Later, we will be staying at the **Exotic Resort Zoo in Johnson City** where llamas, camels, and all kinds of exotic animals come right to the fence at our log cabins...of course, there will be separate girls' and boys' cabins. We'll have a huge bonfire that night and a great pool. After a bit of settling in, we're off to **the Country Cupboard in Johnson City**. After dinner, we have a real treat in store to top off the evening.

Day 4

On this day we will be heading into Johnson City to visit the **Science Mill**, the best hands-on science experience in Texas. Next, it's on to the **Wimberley Zip-Line**. Here trained professionals will take us on a **Zip-line tour over the Texas Hill Country**. Emphasis will be placed on **ecology, safety, and fun**.

Day 5

We will start off in Galveston for this last day of the camp. First, the students will **explore Galveston Bay by Boat**. During this time, we will investigate the physical, chemical, and biological processes which make estuaries such highly productive systems. Students will learn to use Secchi Disks, Peterson Grabs, Nansen bottles, plankton nets and Otter Trawls. After lunch, head to **I-Fly** to some real aerodynamics. In addition to the joy of "FLYING," our kids will do some real Aerodynamic calculations on things like rubber balls and bears.... Wow, what a week it will be....

All of this for only \$599.00 including all travel, tickets, and entry fees.

Lunches, snacks, gifts, and souvenirs are all the responsibility of the parents and students.

All participants must be current 5th through 8th Grade Students. There is a minimum of 10 and a maximum of 13 participants to fill each session. Additional applicants will be placed on a waiting list.

**For additional information, please contact
Nicole Kram at nicole.kram@yahoo.com or Call at 281-727-6387**

**Camp Registration Instructions and Forms...Simple as 1, 2, 3!
Step 1—Fill out the following Registration and Release Forms *COMPLETELY!***

SUMMER SCIENCE SAFARI 2019 Registration Form for Tays JHS-Katy

Session 1	June 17, 2019	1 st Choice _____
Session 2	July 15, 2019	2 nd Choice _____
Session 3	July 22, 2019	

Please Print
Name of Student: _____ Sex: M / F (Circle One)

First Middle Last

Current Science Teacher: _____ Current School and Grade: _____ Date of Birth: _____

Parent or Guardian: _____ Can we place you on a Session Roster? Yes/No

Address: _____
Street APT City, State, Zip

Phone Numbers: _____ Student's Cell Phone: _____
Home Parent's work Cell Ph or Pager #

Parent or Guardian e-mail address: _____

How did you learn about the SSS? **Internet / School Flyer /Print Advertising / Friend / Other:** _____

**Summer Science Safari 2019
RECOGNITION AND ASSUMPTION OF RISK AGREEMENT/PHYSICIAN RELEASE/PHOTO RELEASE FORM**

I, the undersigned parent/legal guardian of _____, authorize said child's full participation in **Summer Science Safari Summer Camp**, including related program activities. It is my understanding that participation in the activities that make up **Summer Science Safari Summer Camp** is not without some inherent risk of injury. As such, in consideration of my child's participation in **Summer Science Safari Summer Camp**, I hereby release, waive, discharge, and covenant not to sue the program, the **Summer Science Safari**, their officers, servants, agents, or employees from any and all liability, claims, demands, action, and causes of action whatsoever arising out of or related to any loss, damage, or injury, including death, that may be sustained by my child, whether caused by the negligence of the releasees, or otherwise while participating in such activity, or while in, or upon the premises where the activity is being conducted. I also give my permission for any emergency medical care or treatment by a physician, surgeon, hospital, or medical care facility that may be required, including transportation, and accept responsibility for the cost. I also understand that any insurance policy carried by the Summer Science Safari, if any, will provide only minimum coverage and that I should make sure my child is covered with family insurance in the event of a serious accident.

Print Student's Name: _____ **Personal Insurance Company & Policy Number:** _____

I also understand that by submitting this form my child's picture and name of school may be published on the Internet, advertising, or news articles under the **Summer Science Safari Summer Camp**. *No names or addresses will be associated with photos.*

Parent/Guardian signature: x _____

I also agree to follow all instructions and procedures in order to provide the best environment for learning and to maintain maximum level of safety. ***I also understand that I may be dismissed from the Summer Science Safari without refund to my parents due to continued or severe misbehavior.***

Student's signature: x _____

THIS FORM MUST BE COMPLETED AND SIGNED FOR EVERY STUDENT PARTICIPATING IN THE SUMMER SCIENCE SAFARI SUMMER CAMP.

Step 2: Include Payment

Payment by Check: Complete the Registration and include a check for \$599.00 made out to **Summer Science Safari**. There is no Convenience Charge with this method.

Payment by Credit Card or PayPal: If you choose you can elect to be invoiced via email from our credit card processor where you may **SECURELY PAY** by *Visa, MasterCard, American Express, Discover, or PayPal* via the link in the email. A \$20.00 Convenience Charge will be added if you elect this method of payment.

Please sign **here** if you would like to pay via this method: X _____

Step 3: Place Registration Forms and/or Payment in sealed envelope and **deliver to Nicole Kram via the front office at Tays Junior High School in Katy.**

You may also register by faxing the registration and credit/debit information to 832-305-8874 using the included fax form. Again, a Convenience Charged will be added if you elect this method of registration and payment.

Faxed Credit Card Information Form

Please DO NOT use this form for email Registrations.

Fax this Form along with the Registration Forms to 832-305-8874

Name on CC: _____

Type of CC: _____

CC Number: _____
