Where Science and Summer Fun Meet!

Now Serving the Clear Lake City/Bay Area

Introduction

It's that time of year again and we've been working hard to prepare a science camp experience that will make your child excited about science. We will explore some new destinations as well as some old favorites. Your student has seen the pictures in the science textbooks, now they can experience the science in action, **first hand**. Whether it's experiencing **flying high at I-Fly** or **exploring the Hill Country by Zip-Line**, your child is sure to learn and see many fascinating things—not to mention having a great time. **Who knows, we might even blow up something!**

We believe **the middle school/junior high years** are a time for exploring and investigation...and having a lot of fun learning along the way. Young people are developing their dreams for the future at this age. At **Summer Science Safari**, we help students envision their futures. We pack as much science and learning into five days as we can, then top it off with lots of fun.

For 20+ years, Joe Watson (Head Coach of the 2011 State Champion Riverwood Science Olympiad Team in Kingwood and Head Coach of the 2013 State Champion Beckendorff Junior High Science Olympiad Team in Katy) has conducted one of the best Summer Camps, around. With degrees in Meteorology and Secondary Education and Certifications in G/T and Earth and Life Sciences and a Master's Degree in Secondary Education, he has had over 27 years' experience teaching middle school/junior high students. Along with several other science professionals we have created a science adventure that you don't want to miss.

This is our third year to be offering this exciting camp in the Clear Lake City/The Bay Area.

We will pick up and return students to **Space Center Intermediate School**, however, **all current (SY 2020/2021) year 5th through 8th grade students IN THE AREA are eligible**. We're excited to bring this wonderful program to you, again, this year.

Itinerary

Due to the nature of our "field-driven" camp, minor schedule and activity changes are possible.

Day 1

Rock Climbing, Dinosaurs, and Scuba.... We will start the day with one of our favorites—a **Rock Climbing Lesson**. We're really excited to offer a great way for the kids to "hang" with their friends. Next, we'll be heading over to the **Houston Museum of Natural Science** to check out some attractions and special events. Lastly, it is back to the area for a beginners **Scuba Diving lesson**. No prior experience needed for this day's dive. **Certified diving instructors** will introduce the kids to the world of scuba diving. Instructors will work with the kids and teach them all the do's and don'ts of scuba diving. Each child will be equipped with the **latest dive gear and instruction**, then they will spend time diving with a scuba tank in the dive school pool.

Day 2

This day we will head to Texas A&M University for a day of real science. We will begin our day with a tour of the **Texas A&M University Medical School**—one of the newest and most modern in the country. Then we are off to learn about **Nuclear Power** and get an up-close look at a **working nuclear reactor**. Then, it is on to a **Cold-Physics Presentation** by professors in the **Physics Department in the Stephen Hawking Auditorium**. *Have you ever stuck your hand in Liquid Nitrogen?* It will give you chills! Our last stop is the **Chemistry Department** where the students will be given a great **Chemistry Show....** Sparks will fly! We will even tour the **Texas A&M Veterinarian School** and the **Texas A&M Medical School**—including a human "body parts" lab. Look out for More adventures to be added.

Day 3

Today, we're off to **Schlitterbahn in New Braunfels** for a day of **breathtaking rides, cool streams, and entertainment**.

Later, we will be staying at the **Exotic Resort Zoo in Johnson City** where llamas, camels, and all kinds of exotic animals come right to the fence at our log cabins...of course, there will be separate girls' and boys' cabins. We'll have a huge bonfire that night and a great pool. After a bit of settling in, we're off to **Willie's Grill and Icehouse for dinner**. After dinner, we have a real treat in store to top off the evening.

Day 4

On this day we will be heading into Johnson City to visit the **Science Mill**, the best hands-on science experience in Texas. Next, it's on to the **Wimberley Zip-Line**. Here trained professionals will take us on a **Zip-line tour over the Texas Hill Country**. Emphasis will be placed on **ecology, safety, and fun**.

Day 5

We will start off in Galveston for this last day of the camp. First, the students will **explore Galveston Bay by Boat**. During this time, we will investigate the physical, chemical, and biological processes which make estuaries such highly productive systems. Students will learn to use Secchi Disks, Peterson Grabs, Nansen bottles, plankton nets and Otter Trawls. After lunch, head to **I-Fly** to some real aerodynamics. In addition to the joy of "FLYING," our kids will do some real Aerodynamic calculations on things like rubber balls and bears.... Wow, what a week it will be....

All of this for only \$699.00 including all travels, tickets, and entry fees.

Lunches, snacks, gifts, and souvenirs are all the responsibility of the parents and students.

This year only, we will be collecting Registration Fees LATER IN THE SPRING FOR ALL until such time as we get final approval from the State to conduct "Traveling Camps" like ours.

Register NOW, Pay Later!

All participants must be in Grades 5-8 in the 2020/21 school year. There is a minimum of 10 and a maximum of 13 participants to fill each session. Additional applicants will be placed on a waiting list.

For additional information, please contact Joe Watson in the Clear Lake City/The Bay Area at:

joe@summersciencesafari.com

or Call at 832-305-8572

The **Summer Science Safari** is a privately owned and is not affiliated with any Public or Private School in any manner.

Pick Up and Return will be at Space Center Intermediate School at 17400 Saturn Lane, Houston, Texas 77058

You Can Register Using the Forms and Methods on the Next Page or

Register Online at: <https://forms.gle/U9uiMvj6Y5HsQDVv9>

If you register online, please bring in the following completed forms on the first day of camp!

Camp Registration Instructions and Form

Step 1—Fill out the following Registration and Release Forms **COMPLETELY!**

SUMMER SCIENCE SAFARI Registration Form for the Bay Area. Please circle 1st Choice.

Weeks of:
July 12, 2021
July 19, 2021

2nd Choice: _____

Please Print

Name of Student: _____ Sex: M / F (Circle One)

First

Middle

Last

Current Science Teacher: _____ Current School: _____ Current Grade: _____ Date of Birth: _____

Parent or Guardian: _____ Can we place you on a Session Roster? Yes/No

Address: _____

Street

APT

City,

State,

Zip

Phone Numbers: _____ Student's Cell Phone: _____

Home

Parent's work

Cell Ph or Pager #

Parent or Guardian e-mail address: _____

How did you learn about the SSS? **Internet / CCISD Website/ School Flyer /Print Advertising / Friend / Other:** _____

Summer Science Safari

RECOGNITION AND ASSUMPTION OF RISK AGREEMENT/PHYSICIAN RELEASE/PHOTO RELEASE FORM

I, the undersigned parent/legal guardian of _____, authorize said child's full participation in **Summer Science Safari Summer Camp**, including related program activities. It is my understanding that participation in the activities that make up **Summer Science Safari Summer Camp** is not without some inherent risk of injury. As such, in consideration of my child's participation in **Summer Science Safari Summer Camp**, I hereby release, waive, discharge, and covenant not to sue the program, the **Summer Science Safari**, their officers, servants, agents, or employees from any and all liability, claims, demands, action, and causes of action whatsoever arising out of or related to any loss, damage, disease, or injury, including death, that may be sustained by my child, whether caused by the negligence of the releasees, or otherwise while participating in such activity, or while in, or upon the premises where the activity is being conducted. I also give my permission for any emergency medical care or treatment by a physician, surgeon, hospital, or medical care facility that may be required, including transportation, and accept responsibility for the cost. I also understand that any insurance policy carried by the Summer Science Safari, if any, will provide only minimum coverage and that I should make sure my child is covered with family insurance in the event of a serious accident.

Date of Student's Covid-19 Vaccination: _____

Date of Student's Last Covid-19 Test: _____

(If student is "unvaccinated for Covid-19, a "negative" test must be taken within 1 week of the start of the camp and submitted to the camp leader on the first day of camp).

Print Student's Name: _____ Personal Insurance Company & Policy Number: _____

I also understand that by submitting this form my child's picture and name of school may be published on the Internet, advertising, or news articles under the **Summer Science Safari Summer Camp**. No names or addresses will be associated with photos.

Parent/Guardian signature: x _____

I also agree to follow all instructions and procedures in order to provide the best environment for learning and to maintain maximum level of safety. **I also understand that I may be dismissed from the Summer Science Safari without refund to my parents due to severe or continued misbehavior.**

Step 2---REMEMBER, PAYMENT WILL BE COLLECTED LATER IN THE SPRING!

Payment by Credit/Debit Card or PayPal (**only for those NOT registering online**):

1. **Payment by emailed invoice:** After confirming with our office that there is space available, just complete the Registration Forms, above, AND email them to joe@summersciencesafari.com. Upon receipt by our office, you will be invoiced via email from our credit card processor where you may **SECURELY PAY** by **Visa, MasterCard, American Express, Discover, or PayPal** via the link in the email.

Please sign here if you would like to pay via this method: X _____

OR

2. **Payment by Fax:** After confirming with our office there is space available you can Fax the Registration and following Credit Card Information Form below to 832-305-8874.

***Faxed* Credit Card Information Form**

For Security Purposes, Please Do Not Use This Form for Email!

Fax this along with the Registration Forms to 832-305-8874

Name on CC: _____

Type of CC: _____

CC Number: _____

Expiration Date: _____

Security #: _____

Billing Zip Code: _____

Cell Phone #: _____

Email Address: _____

You will receive a receipt by either text or email depending upon your preferences on your credit/debit card and from our credit card processor by email.

If you have any problems faxing, call 832-305-8572
