

SUMMER SCIENCE SAFARI 2022

Where Science and Summer Fun Meet!

Beck Junior High

Katy, TX

Weeks of:

June 20, 2022

June 27, 2022

See us at www.summersciencesafari.com

It's that time of year again and we've been working hard to prepare a science camp experience that will make your child excited about science. We will explore some new destinations as well as some old favorites. Your student has seen the pictures in the science textbooks, now they can experience the science first hand. Whether it's exploring the physics of ***Sky Diving at iFLY*** or ***exploring the Hill Country by Zip-Line***, your child is sure to learn and see many fascinating things—not to mention have a great time!

We believe the junior high years are a time for exploring and investigation...and having a little fun learning along the way. Young people are developing their dreams for the future at this age. At ***Summer Science Safari***, we help students envision their futures. We pack as much science and learning into five days as we can, then top it off with lots of fun.

We are proud to announce that Carli Smith, along with Kate Armendinger and Chaille Mapes, will be offering the Summer Science Safari Summer Camp at Beck Junior High.

Carli Smith graduated from Stephen F Austin where she received her bachelor's degree in Environmental Science and Forestry. She has worn (and enjoyed!) many career hats, including working in a wet lab, Environmental Manager for the oil and gas industry, Regional HSE coordination for North and South America, managing the relocation of science laboratories at Rice University and, of course, her favorite career- teaching science! This is her 7th year to teach and 2nd in Katy ISD.

Mrs Smith loves to travel the globe and learn about other cultures and environments. Some of her favorite trips include studying the rainforest in Costa Rica, field surveying local marine ecosystems in North Carolina and rebuilding schools in Panama. She has also lived in other countries like New Zealand and England. She is always up for a great adventure-especially when science is involved!

What will students do each day for the Summer Science Safari? Glad you asked! Here is the itinerary...

Day 1

Rock Climbing, Dinosaurs, and Scuba.... We will start the day with an old favorite—a **Rock Climbing Lesson**. We're really excited to offer a great way for the kids to "hang" with their friends. Next, we will be visiting a local **Escape Room** to test the students' deductive ability to get out of things---like school and homework. Lastly, it is back to the area for a beginners **Scuba Diving lesson**. No prior experience needed for this day's dive. **Certified diving instructors** will introduce the kids to the world of scuba diving. Instructors will work with the kids and teach them all the do's and don'ts of scuba diving. Each child will be equipped with the **latest dive gear and instruction**, then they will spend time diving with a scuba tank in the dive school pool.

Day 2

This day we will head to Texas A&M University for a day of real science. We will begin our day with a tour of the **Texas A&M University Medical School**—one of the newest and most modern in the country. Then we are off to learn about **Nuclear Power** and get an up-close look at a **working nuclear reactor**. From there we will stop at **TEEX Fire Fighting School and Disaster City**; Disaster city is a mockup of a destroyed town. Crushed buildings, massive car pile ups, train wrecks and crashed airplanes are all used here to teach lifesaving skills. Then, it is on to a **Cold-Physics Presentation** by professors in the **Physics Department in the Stephen Hawking Auditorium**. *Have you ever stuck your hand in Liquid Nitrogen?* It will give you chills! Our last stop is the **Chemistry Department** where the students will be given a great **Chemistry Show....** Sparks will fly! Look out for More adventures to be added--like blowing up something!

Day 3

Wednesday, we're off to **Six Flags Fiesta Texas** in San Antonio for an afternoon of **breathtaking rides, cool streams, and entertainment**. Later, we will be staying at the **Comfort Suites in New Braunfels** where there will be separate girls' and boys' rooms. After dinner, we have a real treat in store.

Day 4

On this day we start the day at **Wonder Cave** where the students will explore one of the finest show caves in Texas. Next, it's on to the **Wimberley Zip-Line**. Here trained professionals will take us on a **Zip-line tour over the Texas Hill Country**. Emphasis will be placed on **ecology, safety, and fun**. Finally, a stop at the original **Aquarina Springs** for a tour of the springs by Glass-Bottom Boat.

Day 5

On our last day we'll be floating and flying...First, we start our final day with a tour of the **Galveston Bay by tour boat where, in addition to great views, the students will get to study the ecology of the Bay**. Next, we finish our week with a sky diving adventure at **iFLY** where the students will discover the thrill of this fun sport. **What a week!**

All of this for only \$699.00 including all travel, tickets, and entry fees.

Lunches, snacks, gifts, and souvenirs are all the responsibility of the parents and students.

Due to the "Field Trip" nature of the Camp, minor schedule and activity changes are likely. Check Website, regularly, for updates. The **Summer Science Safari** is a privately-owned company and is not affiliated with any Public or Private School in any manner.

All participants must be current (SY 2021/2022) 5th through 8th Grade Students.

There is a minimum of 10 and a maximum of 13 participants to fill each session.

Additional applicants will be placed on a waiting list.

For additional information contact Carli Smith at Beck JH in Katy at CarliSmith@KatyISD.org

Register by scanning the QR Code or Online at <https://tinyurl.com/SSSOnlineReg>

If you register online, please bring in the following completed forms on the first day of camp!

SUMMER SCIENCE SAFARI Registration Form

Place a 1 or 2 below to indicate your first and second choice of weeks to attend Summer Science Safari:

_____ **June 20, 2022 (Mrs Smith and Mrs Armendinger)** _____ **June 27, 2022 (Mrs Smith and Ms Mapes)**

Please Print

Name of Student: _____ Sex: M / F (Circle One)

First

Middle

Last

Current Science Teacher: _____ Current School and Grade: _____ Date of Birth: _____

Parent or Guardian: _____ Can we place you on a Session Roster? Yes/No

Address: _____

Street

APT

City,

State,

Zip

Phone Numbers: _____ Student's Cell Phone: _____

Home

Parent's work

Cell Ph or Pager #

Parent or Guardian e-mail address (please write clearly!): _____

How did you learn about the **SSS? Internet / School Flyer /Print Advertising / Friend / Other:** _____

Summer Science Safari

RECOGNITION AND ASSUMPTION OF RISK AGREEMENT/PHYSICIAN RELEASE/PHOTO RELEASE FORM

I, the undersigned parent/legal guardian of _____, authorize said child's full participation in **Summer Science Safari Summer Camp**, including related program activities. It is my understanding that participation in the activities that make up **Summer Science Safari Summer Camp** is not without some inherent risk of injury. As such, in consideration of my child's participation in **Summer Science Safari Summer Camp**, I hereby release, waive, discharge, and covenant not to sue the program, the **Summer Science Safari**, their officers, servants, agents, or employees from any and all liability, claims, demands, action, and causes of action whatsoever arising out of or related to any loss, damage, disease, or injury, including death, that may be sustained by my child, whether caused by the negligence of the releasees, or otherwise while participating in such activity, or while in, or upon the premises where the activity is being conducted. I also give my permission for any emergency medical care or treatment by a physician, surgeon, hospital, or medical care facility that may be required, including transportation, and accept responsibility for the cost. I also understand that any insurance policy carried by the Summer Science Safari, if any, will provide only minimum coverage and that I should make sure my child is covered with family insurance in the event of a serious accident.

Date of Student's Covid-19 Vaccination: _____

Date of Student's Last Covid-19 Test: _____

(If student is "unvaccinated for Covid-19, a "negative" test must be taken within 1 week of the start of the camp and submitted to the camp leader on the first day of camp).

Print Student's Name: _____ Personal Insurance Company & Policy Number: _____

I also understand that by submitting this form my child's picture and name of school may be published on the Internet, advertising, or news articles under the **Summer Science Safari Summer Camp**. No names or addresses will be associated with photos.

Parent/Guardian signature: X _____

I also agree to follow all instructions and procedures in order to provide the best environment for learning and to maintain maximum level of safety. **I also understand that I may be dismissed from the Summer Science Safari without refund to my parents due to severe or continued misbehavior.**

Student's signature: X _____

THIS FORM MUST BE COMPLETED AND SIGNED FOR EVERY STUDENT PARTICIPATING IN THE SUMMER SCIENCE SAFARI SUMMER CAMP.

Step 2: Include Payment

Payment by Check: Complete the Registration and include a check for \$699.00 made out to **Summer Science Safari**.

Payment by Credit Card or PayPal: If you choose you can elect to be invoiced via email from our credit card processor where you may **SECURELY PAY** by **Visa, MasterCard, American Express, Discover, or PayPal** via the link in the email.

Please sign here if you would like to pay via this method: X _____

Step 3: Place Registration Forms and check in sealed envelope and deliver to Carli Smith via the front office at Beck Junior High School in Katy.

You may also register online or by faxing the registration and credit/debit information to 832-305-8874 using the credit card form, below.

***Faxed* Credit Card Information Form**

For Security Purposes, Please Do Not Use This Form for Email!

Fax this along with the Registration Forms to 832-305-8874

Name on CC: _____
