Where Science and Summer Fun Meet!

Introduction

It's that time of year again and we've been working hard to prepare a science camp experience that will make your child excited about science. We will explore some new destinations as well as some old favorites. Your student has seen the pictures in the science textbooks, now they can experience science first hand. Whether it's exploring the ecology of **experiencing the thrill of SkyDiving at I-Fly** or **exploring the Hill Country by Zip-Line**, your child is sure to learn and see many fascinating things—not to mention having a great time.

We believe the middle school/junior high years are a time for exploring and investigation...and having a little fun learning along the way. Young people are developing their dreams for the future at this age. At **Summer Science Safari** we help students envision their futures. We pack as much science and learning into five days as we can, then top it off with lots of fun.

At Beckendorff Junior High School, Bill LeCompte will be leading this year's camp. Bill has been a teacher in public education for the past 21 years. He holds a MBA Degree from Delta State University, at Cleveland, Mississippi and several teaching certifications. He spent the first 8 years of his career at Fielder Elementary and the last 13 at Beckendorff Junior High. He has been teaching in the Katy ISD for the past 20+ years. He currently teaches sixth grade science at **Beckendorff Junior High School**. This will be his first summer of facilitating the **Summer Science Safari in Katy**.

Even though the Camp operates from Beckendorff Junior High School in Katy, all current 5th through 8th grade students in the Greater Katy area are welcome.

Itinerary

Due to the "Field Trip" nature of the Camp, minor schedule and activity changes are likely. Check Website regularly, for updates.

Day 1

Rock Climbing, Panic Time, and Scuba.... We will start the day with an old favorite—a **Rock Climbing Lesson**. We're really excited to offer a great way for the kids to "hang" with their friends. Next, we're off to visit an **Escape Room** to test the escape skills of our group. Lastly, it is back to the area for a beginners **Scuba Diving lesson**. No prior experience needed for this day's dive. **Certified diving instructors** will introduce the kids to the world of scuba diving. Instructors will work with the kids and teach them all the do's and don'ts of scuba diving. Each child will be equipped with the **latest dive gear and instruction**, then they will spend time diving with a scuba tank in the dive school pool.

Day 2

This day, we will head to Texas A&M University for a day of real science. We will begin our day with a tour of the **Texas A&M University Medical School**—one of the newest and most modern in the country. Then we are off to learn about **Nuclear Power** and get an up-close look at a **working nuclear reactor**. From there we will stop at **TEEX Fire Fighting School and Disaster City**; Disaster city is a mockup of a destroyed town. Crushed buildings, massive car pile ups, train wrecks and crashed airplanes are all used here to teach lifesaving skills. Then, it is on to a **Cold-Physics Presentation** by professors in the **Physics Department in the Stephen Hawking Auditorium**. *Have you ever stuck your hand in Liquid Nitrogen?* It will give you chills! Our last stop is the **Chemistry Department** where the students will be given a great **Chemistry Show....** Sparks will fly! Look out for More adventures to be added—like blowing up something!

Day 3

Wednesday, we're off to **Six Flags Fiesta Texas** in San Antonio for an afternoon of **brehtaking rides, cool streams, and entertainment**. Later, we will be staying at the **Comfort Suites in New Braunfels** where there will be separate girls' and boys' rooms. After dinner, we have a real treat in store.

Day 4

On this day we start the day at **Wonder Cave** where the students will explore one of the finest show caves in Texas. Next, it's on to the **Wimberley Zip-Line**. Here trained professionals will take us on a **Zip-line tour over the Texas Hill Country**. Emphasis will be placed on **ecology, safety, and fun**. Finally, a stop at the original **Aquarena Springs** for a tour of the springs by Glass-Bottom Boat.

Day 5

On our last day we'll be floating and flying...First, we start our final day with a tour of the **Galveston Bay by tour boat where, in addition to great views, the students will get to study the ecology of the Bay**. Next, we finish our week with a sky diving adventure at **I-Fly** where the students will discover the thrill of this fun sport. *What a week?*

All of this for only \$699.00 including all travels, tickets, and entry fees.

Lunches, snacks, gifts, and souvenirs are all the responsibility of the parents and students.

All participants must be current (SY 2021/2022) 5th through 8th Grade Students.

There is a minimum of 10 and a maximum of 13 participants to fill each session.

Additional applicants will be placed on a waiting list.

The **Summer Science Safari** is a privately owned company and is not affiliated with any Public or Private School in any manner. **Pick Up and Return will be at Beckendorff Junior High School in Katy.**

You Can Register Using the Forms and Methods on the Next Page or

Register Online at: <https://forms.gle/jkVkvVvK31ctb9rW6>

If you register online, please bring in the following completed forms on the first day of camp!

Camp Registration Instructions and Forms...Simple as 1, 2, 3!

Step 1—Fill out the following Registration and Release Forms **COMPLETELY!**

SUMMER SCIENCE SAFARI 2022 Registration Form

1st Choice: _____

July 11, 2022

2nd Choice: _____

July 18, 2022

Please Print

Name of Student: _____ Sex: M / F (Circle One)
First Middle Last

Current Science Teacher: _____ Current School and Grade: _____ Date of Birth: _____

Parent or Guardian: _____ Can we place you on a Session Roster? Yes/No

Address: _____
Street APT City, State, Zip

Phone Numbers: _____ Student's Cell Phone: _____
Home Parent's work Cell Ph or Pager #

Parent or Guardian email address: _____

How did you learn about the SSS? Internet / School Flier / Print Advertising / Teacher / Other: _____

Summer Science Safari

RECOGNITION AND ASSUMPTION OF RISK AGREEMENT/PHYSICIAN RELEASE/PHOTO RELEASE FORM

I, the undersigned parent/legal guardian of _____, authorize said child's full participation in **Summer Science Safari Summer Camp**, including related program activities. It is my understanding that participation in the activities that make up **Summer Science Safari Summer Camp** is not without some inherent risk of injury. As such, in consideration of my child's participation in **Summer Science Safari Summer Camp**, I hereby release, waive, discharge, and covenant not to sue the program, the **Summer Science Safari**, their officers, servants, agents, or employees from any and all liability, claims, demands, action, and causes of action whatsoever arising out of or related to any loss, damage, disease, or injury, including death, that may be sustained by my child, whether caused by the negligence of the releasees, or otherwise while participating in such activity, or while in, or upon the premises where the activity is being conducted. I also give my permission for any emergency medical care or treatment by a physician, surgeon, hospital, or medical care facility that may be required, including transportation, and accept responsibility for the cost. I also understand that any insurance policy carried by the Summer Science Safari, if any, will provide only minimum coverage and that I should make sure my child is covered with family insurance in the event of a serious accident.

Date of Student's Covid-19 Vaccination: _____

Date of Student's Last Covid-19 Test: _____

(If student is "unvaccinated for Covid-19, a "negative" test must be taken within 1 week of the start of the camp and submitted to the camp leader on the first day of camp).

Print Student's Name: _____ Personal Insurance Company & Policy Number: _____

I also understand that by submitting this form my child's picture and name of school may be published on the Internet, advertising, or news articles under the **Summer Science Safari Summer Camp**. No names or addresses will be associated with photos.

Parent/Guardian signature: x _____

I also agree to follow all instructions and procedures in order to provide the best environment for learning and to maintain maximum level of safety. **I also understand that I may be dismissed from the Summer Science Safari without refund to my parents due to severe or continued misbehavior.**

Student's signature: x _____

THIS FORM MUST BE COMPLETED AND SIGNED FOR EVERY STUDENT PARTICIPATING IN THE SUMMER SCIENCE SAFARI SUMMER CAMP.

Step 2: Include Payment

Payment by Check: Complete the Registration and include a check for \$699.00 made out to **Summer Science Safari**.
