Where Science and Summer Fun Meet!

Introduction

It's that time of year again and we've been working hard to prepare a science camp experience that will make your child excited about science. We will explore some new destinations as well as some old favorites. Your student has seen the pictures in the science textbooks, now they can experience the science in action, **first hand**. Whether it's experiencing **flying high at I-Fly** or **exploring the Hill Country by Zip-Line**, your student is sure to learn and see many fascinating things—not to mention having a great time. **Who knows, we might even blow up something!**

We believe **the middle school/junior high years** are a time for exploring and investigation...and having a lot of fun learning along the way. Young people are developing their dreams for the future at this age. At **Summer Science Safari**, we help students envision their futures. We pack as much science and learning into five days as we can, then top it off with lots of fun.

For over 20 years, Joe Watson (Head Coach of the 2011 State Champion Riverwood Science Olympiad Team in Kingwood and Head Coach of the 2013 State Champion Beckendorff Junior High Science Olympiad Team in Katy) has conducted one of the best Summer Camps, around. With degrees in Meteorology and Secondary Education and Certifications in G/T and Earth and Life Sciences and a Master's Degree in Secondary Education, he has had over 27 years' experience teaching middle school/junior high students. Along with several other science professionals we have created a science adventure that you don't want to miss.

We are again offering this exciting camp in the Kingwood/Atascocita/Humble areas. We will pick up and return *students to Creekwood Middle School* in Kingwood, however, **all current year 5th through 8th grade students IN THE AREA are eligible to attend.** We're excited to bring this wonderful program to you this year.

All of this for only \$699.00 including all travels, tickets, and entry fees.

Lunches, snacks, gifts, and souvenirs are all the responsibility of the parents and students.

All participants must be in Grades 5-8 in the 2021/2022 school year. There is a minimum of 10 and a maximum of 13 participants to fill each session. Additional applicants will be placed on a waiting list.

For additional information, please contact Joe Watson in the Kingwood/Humble Area at:

joe@summersciencesafari.com

or call at 832-305-8572

The **Summer Science Safari** is a privately-owned company and is not affiliated with any Public or Private School in any manner. **Pick Up and Return will be at Creekwood Middle School in Kingwood on West Lake Houston Parkway, Kingwood.**
